

Missionary Evangelist Steve Morris
Florianópolis Brazil

To our praying friends: August 4, 2008

A lot has happened since my last letter. I have systematically knocked every door I can in the barrios of Barrieros, Ipiranga, Bella Vista, Estreito, & Monte Cristo so far. Jesus said to preach the gospel to every creature. This is the best way, door to door. Everybody gets at least one chance. Souls have been saved, visitors have come to church, sinners have been warned, because of this ministry. A man named Ben-Hur, (not the movie) got saved Sunday night after coming for many years. Ladies, want a weight loss program that works? I have lost maybe 50 pounds, walking up and down the hills going house to house with the gospel. Try it, it works! Now my clothes don't fit.

We had vacation Bible School (Escola Biblica Ferias) for 3 days. We had 340 kids come, and some parents, and about 35 get saved. We are doing follow-ups now. (see photo) We covet your valuable prayers. Remember, our battle is against the forces of darkness, and prayer is a main weapon. Thank the Lord for my security and safety from dogs, crazy drivers, and everything else. Thank the Lord for good health. The dollar is at an all time low against the Brazilian Real. Last week I got 1.56 Real for \$1.00. Last Sept. it was 2. Real for \$1.00 but God is good and has met every need. A group of 11 men from West Virginia comes this week to build walls on the new church building we are building at the 2 year old work in Comboriu. Keep praying, keep going, thanks for your giving.

Love in Christ

Steven R. Morris
